4. Once desired number of free days have been determined, ensure to check the offer acceptance box and click on "Purchase detention days".

Detention

Purchase free days

1. You can select estimated return date and purchase discounted free days to avoid penalty later on.
2. Estimated Detention Last Free Date are derived basis pickup/delivery date selected in demurrage tab and accordingly chargeable days and detention price are shown which are also an estimates, which may change basis actual pick of the container/s.

Introducing fee risk assessment
The risk level for each container is derived by our AI algorithm using the historical turn time data. Allowed purchase of maximum 14 free days for each container & offer is only allowed once per shipment and can be done till vessel arrival.

- High risk - You're likely to pay a fee for not returning on time
- Medium risk - You might pay a fee for not returning on time
- Low risk - You're not likely to pay a fee
